* You retain the copyright to any photographs you submit, and you will be credited as the photographer if your photographs are used by Friends of Georgia State Parks. Subject to that, Friends can use your submitted photographs in any way that is related to its conservation mission, including publishing and selling the images. If you want to limit the use of your photograph to newsletters, brochures, posters, the website, and other social media outlets only, include the word "Limited" in the file name as shown above. If you allow unlimited use, you can leave off the word limited.
