

Seeking Volunteer Photographers/Videographers for Event Photography

Our Community Salutes Georgia (OCS GA) is a non-profit that recognizes and honors the graduating HS seniors who are joining the military. In 2022, over 400 enlistees were honored.

GNPA provided four volunteers at their prior event on Dec. 10, 2022 – two portrait photographers, one “rover”, and one videographer. The portrait photos became an immediate hit with families. “Yearbook” photos were also processed and delivered free of charge (thanks to donations from our photographers and OCS GA) to share amongst family members and friends.

You can watch the video of the event below of the December event held at the Yaarab Shrine Temple in Atlanta to understand how the event works and view the type images you’ll be producing.

GNPA members contributed their lighting kits, time, and talent to create formal pictures and high-impact images of the enlistees, their families, and recruiters. They included Doug Flour, Paula Wilson, Scott Sheppard who shot the portraits and stills and Chris Dekle produced the video.

To thank the participants for their help, OCS GA gave each GNPA participant a framed certificate of appreciation and a beautiful Challenge Coin.

Plus, the GNPA received a \$250 contribution.

All had a great time and were glad they participated.

VOLUNTEER

Would you volunteer to help shoot one or more of the following events?

- Atlanta on June 3rd,
- Valdosta on May 5th, and
- Columbus on May 13th.

To learn more or volunteer, please email Chris Dekle at jcd@wildstate.com.
